

Greetings Sisters, The Class of 1993 has reached an important milestone ~ the 15-year anniversary of our graduation from Spelman College. Reunion 2008, themed *A Choice to Change the World*, is scheduled for Thursday, May 15 – Sunday, May 18, 2008. The Class of 1993 Planning Committee is working diligently to plan for a very special 15-Year Class Reunion. We know that alumnae are always eager to see old friends, reminisce and enjoy the festivities planned by The College. Reunion is indeed a time of celebration and sharing, and we look to continue in that tradition. The planning committee also recognizes the need for and vital importance of alumnae support of the College. It is important that we as a reunion class do our share to ensure that our alma mater continues to lay the foundation for educating women. **Making a financial gift to Spelman College is a major component of Reunion Weekend.**

You may find the following annual giving statistics for the Class of 1993 astonishing:

Contributions to Annual Fund by 3/1/08	10%
First Time Contributors in FY08	2%
Never Contributed	50%
Contributed at least once in the last 5 years	44%

We can start today to increase our class giving participation for our upcoming reunion by joining in the **15-Year Challenge**.

15-Year Challenge

1. Give \$1, \$10, or \$100 for every year since graduation (\$15, \$150, or \$1,500) to Spelman College.
2. Contact your employer or your spouse's employer for matching gift information (Turn a \$200 gift into a \$400 gift!).
3. Contact your friends to encourage them to contribute annually.

Every gift counts and we need everyone to renew their commitment to Spelman College this reunion year and every year and help us reach our **Goal of 100% Class**

Participation. Please review the enclosed material from the Office of Annual Giving for information on how to make your contribution. Remember that the deadline to have your contribution count towards the Class Gift is May 16, 2008.
